PICTURES

You want to have the best pictures from your hike? Your guide can unfortunately not use your phone or personal camera to take pictures of you. It is very unpractical for the guide to handle multiple phones and camera's at the same time, and we do not want to be responsible for damage / loss of your expensive equipment.

Therefore, we have invested in good camera's, to take good photo's for you. Focus on the experience and leave the photography to us. We know the best spots and have the necessary equipment. A professional will edit and post the pictures taken on the trip. Just enjoy the hike and download high quality pictures afterwards!

If you have not pre-ordered a photography package (175 NOK), you can still do so, by simply sending us an email (booking@outdoorlifenorway.com). You can pay upon arrival.

ACCOMMODATION

If you haven't booked accommodation yet, we can recommended to spent the night in the cozy Preikestolen Mountain Lodge (reachable from Stavanger by ferry and connecting bus), either the night before or after your trip: <https://english.preikestolenfjellstue.no/accommodation/>

We can also warmly recommend the hikers friendly Lilland Hotel, located close to the fjords, a scenic ferry-ride outside the city. If you book a tour with Outdoorlife Norway, Lilland Hotel will give you a 10% discount on accommodation. Please send an email to booking@lillandhotell.no and use the discount code "OLN". Of course, Outdoorlife Norway will pick you up at the hotel. Just make sure you have notified us if you will stay at this hotel!
